

Now you can support Fort Miles Museum and see your name, or that of a loved one, honored on a handsome brick paver. Each engraved paver will be displayed in Battery 519, America's foremost WWII museum at an actual military site, where thousands of museum visitors will see it.

The cost for each paver is \$200, including delivery and installation. To order, please complete the form below and mail it in with your payment.

All donors will be invited to attend a ceremony marking the installation of your paver in Battery 519. Ceremonies are held in May and November. To be included in the May ceremony, submit your order by March 1 and for the November ceremony, submit your order by September 1.
